Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Construction and Renovation for Boston Road Facility project in fiscal year 2024. The entity to receive funding for this project is the Caring Health Center, located at 1049 Main St, Springfield, MA 01103. The funding would be used for construction and renovation at the Boston Road Facility. The project is an appropriate use of taxpayer funds because construction and renovation will allow Caring Health Center to occupy the facility on Boston Road and provide important access to healthcare, including dental and pharmaceutical services, to a low-income population in Springfield, Massachusetts.

The project has a federal nexus because the funding provided is for the purposes authorized by 42 U.S.C. 5305(a)(4).

Pursuant to House rule XXIII, clause 17, I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard E. Neal".
