Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for River Terrace Sewer Separation Design and Permitting, Holyoke, MA project in fiscal year 2025. The entity to receive funding for this project is the City of Holyoke, located at 536 Dwight Street, Holyoke, MA, 01040. The funding would be used for obtaining a consultant to finish a Massachusetts Environmental Policy Act Office (MEPA) review and finalize design for a major upgrade to the City's sewer system. The project is an appropriate use of taxpayer funds because it clears the final hurdle for a major water infrastructure project that will address a myriad of public health and environmental concerns. The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Richard E. Neal".
