Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the North Adams Adventure Trail project in fiscal year 2024. The entity to receive funding for this project is the City of North Adams, located at 10 Main Street North Adams, MA 01247. The funding would be used for the design of the North Adams Adventure Trail. The project is an appropriate use of taxpayer funds because this project would continue the bike path in neighboring Williamstown, Massachusetts, providing safe, equitable transportation for residents and tourists alike.

The project has a federal nexus because the funding provided is for the purposes authorized by Title 23 U.S.C. section 133(b).

Pursuant to House rule XXIII, clause 17, I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard E. Neal", written over a large, stylized blue scribble.
