Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Spencer Sewer Collection System Upgrades project in fiscal year 2024. The entity to receive funding for this project is the Town of Spencer, located at 157 Main Street, Spencer, MA 01562. The funding would be used for upgrades to failing sewer collection pipes and manhole covers. The project is an appropriate use of taxpayer funds because this provides critical upgrades to Spencer's sewer collection system that will prevent sewage from leaking into the natural environment.

The project has a federal nexus because the funding provided is for the purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

Pursuant to House rule XXIII, clause 17, I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Richard E. Neal".
