Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the North Adams Regional Hospital MRI Replacement project in Fiscal Year 2027. The entity to receive funding for this project is the North Adams Regional Hospital, located at 71 Hospital Avenue, North Adams, MA 01247.

These funds will be used to acquire a new MRI scanner, representing a high-impact investment in rural health equity. This technology will significantly enhance North Adams Regional Hospital's ability to deliver high-quality, efficient care to Northern Berkshire residents. The project is an appropriate use of taxpayer funds by reducing the need for patient transfers, easing strain on regional emergency medical services, and ensuring that more patients can receive life-saving care within their own community.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Richard E. Neal".
